

Dear Room 9 Families,

August 2018

We are so excited about starting the school year! This year we will have numerous design challenges! To help ensure we have plenty of materials to build our creations, please bring the following to class as soon as possible:

- ❖ CLEAN and Dry Happy Trash
- ❖ Unused craft items
- ❖ No glass or hard plastic that is sharp when cut

What are some examples of Happy Trash: unused cotton balls, fabric scraps, egg cartons, used wrapping or tissue paper, ribbons, bubble wrap, clean berry baskets, cardboard, paper or toilet paper rolls, foil, leftover party paper goods, leftover craft items (yarn, pom-poms, craft sticks, straws, pipe cleaners).

Thank you!!

Mrs. Chase

Dear Room 9 Families,

August 2018

We are so excited about starting the school year! This year we will have numerous design challenges! To help ensure we have plenty of materials to build our creations, please bring the following to class as soon as possible:

- ❖ CLEAN and Dry Happy Trash
- ❖ Unused craft items
- ❖ No glass or hard plastic that is sharp when cut

What are some examples of Happy Trash: unused cotton balls, fabric scraps, egg cartons, used wrapping or tissue paper, ribbons, bubble wrap, clean berry baskets, cardboard, paper or toilet paper rolls, foil, leftover party paper goods, leftover craft items (yarn, pom-poms, craft sticks, straws, pipe cleaners).
